

High Performance Protection

- Wrap-around 9-base uni-lens style for uncompromised peripheral vision and superior coverage.
- Available with Dura-streme™ dual coating technology which combines our two best lens coatings — Uvextreme® anti-fog on the interior and Ultra-dura® anti-scratch on the exterior — for 3x longer lens life.*
- Offers highest available impact protection. Meets ANSI Z87.1-2003 (High Impact) and military V₀ ballistic impact test (protection against impact energies 7x higher than ANSI requirements).
- Certified to meet CSA Z94.3 standards.
- Available in a wide range of lens tints to address the needs of virtually any work environment.

Superior Comfort & Fit

- Soft elastomer browguard diffuses and deflects impact while providing comfort at all contact points.
- Soft flexible fingers on the nose piece adjust and conform to almost any nasal profile to reduce slippage.
- Adjustable temple length and lens inclination for a customizable fit.

Product Platform Advantages & Value

- Economical and easy lens replacement system allows for multiple lens tints and extends the life of the eyewear.
- Multiple models in a family offers standardization while offering workers choice.
- Lifetime frame guarantee.

Three position ratchet lens inclination adjusts to complete the fitting system and provides unsurpassed extended wear comfort.

Soft, flexible nose fingers conform to fit a variety of nasal profiles.

A unique ventilation channel, between the frame and lens, vents the eye socket area to deliver an outstanding level of moisture and fog control.

Adjustable temple length enables wearers to custom fit the eyewear to their facial profile.
